The appropriate documents were signed by the Board members present.

4. Budget Review: Town Manager Flewelling proposed to raise the rates to \$35 for the stub fee, \$77 for accounts with no water meter and to leave the rate per cubic foot at \$.05. She told the Board that the Sewer Department is \$63000 in debt to the Town one half way through the year. Tina Gossman moved to put on the next agenda more information on the financial status of the Sewer Department and to discuss rate raises then and to add a line item to our financial reports which shows the cumulative debt to the Town for each year, Charlotte Curtis seconded. All in favor.

Ron Currier requested that the Board gets information in writing from DEP about their right to fine or penalize the Town for the Sewer Department being in debt to the Town, Tina Gossman seconded. All in favor.

5. The Board was given a tour of the plant by Mr. Gossman. We were told that much of the equipment is outdated or needs repair.
6. The next meeting will be held on September 9, 2015.
7. Tina Gossman moved to adjourn the meeting at 7:12 PM, Charlotte Curtis seconded. All in favor.
