*A few of our former Officers and Firefighters. The individual unit call numbers came into effect in the early 80's. We are researching their time of service as best as we can. We would like to thank all the past and present Norridgewock Fireman's Association Secretaries for taking such good notes. As this is where a lot of pictures and history comes from. If you have any notes, pictures, etc. and want to share them with the Association (and this website), please contact the Fire Department. Thanks to Doug Farrin through Margret Keene, we have some additional personnel information.*

Fire Chief William Brackett (1911 - )  
Fire Chief Wallace Sheaf ( - 1936)
